Russia and Baltic Cities! 2012

We are already planning our holidays for summer 2012 and would like to give you a sneak preview of one of our intentions! 2012 is the 10th anniversary of Jamie taking over Greys and we want to mark the occasion by taking you to some of the favourite places we have been to over the last ten years. We have ventured far and wide and have many destinations to choose from and whittling them down will be no easy task.

One of the stand out tours we have done is to Russia, which we ran in both 2005 and 2008. Both trips were wonderful adventures and we are keen to return in 2012 although with a slightly different itinerary (no Moscow!).

As this type of tour is very specialist I am keen to gauge your interest to see if it is indeed viable. If you are at all interested then please let us know. There will be no obligation on your part but we are keen to know if it will be worthwhile. I have listed a brief itinerary of what is included and the cost is going to be in the region of £2200.00 for the 18 day tour.
